

# PP Year 2, 3 and 4 Newsletter

Friday 30<sup>th</sup> June 2023

## What have we been learning?

### Year 2

This week we have designed our own superheroes and started writing a report about them. We also continued our learning about inventors and focused on the changes in technology over time.

### Year 3

This week we have had lots of fun using the Crumbles (micro-controllers) to programme sparkles and motors. We have also built our own circuits.

### Year 4

In Computing this week, we experimented being data analysts: we logged the data, before plotting and analysing the results on a graph.

### Thought for the week...

If you think you can,  
you can!

Check out our school website for more exciting school news!
