

# Year 5 and 6 Newsletter

Friday 16<sup>th</sup> June 2023

## What have we been learning?

### Year 5

This week we dissected flowers in science, to identify the parts and learn about the reproduction of plants. In English, we have planned our own meeting tale where two creatures create an unlikely friendship with a surprising ending and in maths we have read and interpreted graphs and tables.

### Year 6

This week, we have had a workshop which has explained the issues around gambling and how to seek help. We have also been learning about news articles and how to grip the reader. In RE, we have been learning about forgiveness in Christianity.

### Thought for the week...

"JUST ONE  
SMALL POSITIVE  
THOUGHT IN THE  
MORNING CAN  
CHANGE YOUR  
WHOLE DAY."

-DALAI LAMA
