

# Year 5 and 6 Newsletter

Friday 30<sup>th</sup> June 2023

## What have we been learning?

### Year 5

This week we have been learning to read, measure and calculate angles in maths and finished writing a meeting tale in English. Our science learning continued to explore life cycles of an insect. Alongside this we have been busy rehearsing for the end of year production with Year 6; had an informative and fun workshop with the NSPCC and enjoyed a Road Safety Magic Show.

### Year 6

This week, we had a visit from the NSPCC who gave us a useful talk. We also enjoyed being entertained by a Road Safety Magic Show. For our production, we performed to the younger children of the school.

## Thought for the week...

Check out our school website for more exciting school news!
