

PP Year 2, 3 and 4 Newsletter

Friday 7th July 2023

What have we been learning?

Year 2

This week we have been looking at photographs and been finding out how we can change photos by editing. We used these new skills to then identify whether some photos were real or fake. Would you know the difference?

Year 3

This week we have been creating monsters for our stories. We thought about their special skills and how they catch their victims and made a wanted poster.

Year 4

In Computing, we researched the volcanic activity of Mount Etna, before organising the events chronologically ready to write our newspaper reports in our English lesson.

Thought for the week...

*"Don't count the days.
Make the days count!"*

Check out our school website for more exciting school news!

| Bannister 770 | Pankhurst 705 |

Helping at Home

Join the local library so that you can access lots of different books during the summer holiday.

Don't forget...

When buying new uniform, please remember that school shoes should be black. Socks should be plain with no logos. PE kits should be a plain white t shirt and red shorts and plain, dark joggers and sweatshirt.
