

Year 5 and 6 Newsletter

Friday 7th July 2023

What have we been learning?

Year 5 We have continued learning about life cycles in Science this week. We all enjoyed our trip to Eastbrookend Country Park, which involved minibeast hunting and pond dipping. In English, we have been writing explanation reports. We ended the week by supporting Year 6 children with our singing.

Year 6

This week, Year 6 have performed the production of 'The Wizard of Oz' to parents. Everyone did incredibly well! We also had a P.E specialist introduce us to a new sport of Lacrosse, with a lot of children commenting on how interesting and fun the sport is. In English, we thought about how we could improve our creative piece of writing.

Thought for the week...

When you think
positive, good
things happen.
