

PP EYFS & Year 1 Newsletter

Friday 22nd September 2023

What have we been learning?

Nursery

This week we have been learning to play alongside our new friends. We have been settling in, learning new rules and exploring our environment.

Reception

This week we have been learning to sort objects into two groups. We have also been looking at our baby photos to see how we have changed and comparing them to what we look like now.

Year 1

This week we have been learning about different materials in science. We went on a material hunt around the school, to see how many different materials we could name.

Thought for the week...

Why is learning a language important?

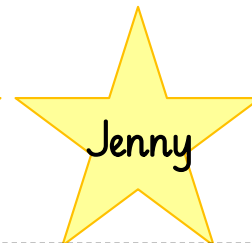

Check out our school website for more exciting school news!
