

PP Year 2, 3 and 4 Newsletter

Friday 22nd September 2023

What have we been learning?

Year 2 This week, Year 2 have started to think about how to describe a setting in English, using adjectives. In Science, we have been looking at animals and their habitats.

Year 3 In English we have written a diary. In Maths lessons, we have been learning to partition numbers to 1000 in different ways. In Science, we have been learning about pollination.

Year 4 We wrote character descriptions using effective vocabulary in English. In Maths lessons, we worked on number lines to 10,000. In science we investigated the effects some drinks have on our teeth.

Thought for the week...

You learn something every day if you pay attention.

STARS OF THE WEEK!

Mathematician of the Week

Grasshopper – Humzah Centipede – Sulaimaan
Oak – Mehr Elm – Bogomil
Maple – Codie Beech – Shahmeen

House Points

Seacole 658	Shakespeare 661
Bannister 645	Pankhurst 675

Helping at Home

As children move to the Accelerated Reader scheme, they must show a good understanding of the book so please ask them lots of questions when they read. Quizzes must be done in school, not at home.

Don't forget...

- Book Bags every day, including reading books.
- PE Kits – red shorts, white t-shirt and plimsolls
