

# Year 5 and 6 Newsletter

Friday 15<sup>th</sup> September 2023

What have we been learning?

## Year 5

Welcome back to the start of a new school year! This week, we learned about Henry VIII and how he reformed the Catholic Church. In Art, we learned how to sketch different elements of the face, focusing on using precise, light strokes for a more realistic look. We have been using our writing and reading skills to describe characters from Macbeth, thinking about inference.

## Year 6

A big welcome back to all Year 6 pupils! This week we have found out all about Evolution. We were very surprised to find out that whales are quite closely related to hippos! In Geography we looked at Ordnance Survey maps and the symbols they use to show features in the landscape.

## Thought for the week...

Every day may not be good but there is something good in every day.

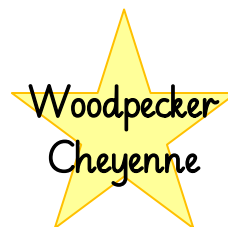

Check out our school website for more exciting school news!
