

# Year 5 and 6 Newsletter

Friday 22<sup>nd</sup> September 2023

## What have we been learning?

### Year 5

This week we have been reading Macbeth and exploring the vocabulary, so that we can use it in our writing. In Maths, we have been calculating and solving problems with numbers up to 1,000,000; this included rounding, comparing and ordering numbers. In RE, we investigated Hindu beliefs about God.

### Year 6

This week we have been learning about place value, looking at numbers up to 10 million. We have been practising multiplying and dividing by 10 and 100. In computing we have been developing our understanding of how the internet works.

## Thought for the week...

Today is your opportunity to build the tomorrow you want.

Follow our school Twitter account for updates and challenges to try at home!

## Celebration Zone

### STARS OF THE WEEK!

### Mathematician of the Week

Owl - Kyle      Robin - Lily Mae  
Woodpecker - Musa      Kingfisher - Samuel

### House Points

|                  |                    |
|------------------|--------------------|
| Seacole<br>658   | Shakespeare<br>661 |
| Bannister<br>645 | Pankhurst<br>675   |

### Helping at Home

Listen to your child read a book at home and then ask them questions to deepen their understanding. Once their knowledge is secure, encourage them to quiz and record their results.

### Don't forget...

- Book Bags every day, including reading books.
- PE Kits – red shorts, white t-shirt and plimsolls. No branded items to be worn in school.
