What have we been learning?

Nursery

This week we have been exploring who is in our family. We have been looking at our family photos and making marks to represent them.

Reception

This week we have been designing our own gingerbread men. We thought about the shapes and colours we would like to use. We then used salt dough to create them.

Year 1

This week in Science we have been testing which materials are opaque and translucent. We have been planning our own versions of the story 'The Enormous Turnip' in our Talk for Writing lessons.

Thought for the week...

Do we know enough about black woman from our history?
