

PP Year 2, 3 and 4 Newsletter

Friday 6th October 2023

What have we been learning?

Year 2 This week, we have been becoming wildlife reporters and learnt some facts about different animals. We are looking forward to using these facts in a non-chronological report.

Year 3 We really enjoyed our trip to the National Gallery. In English, we are writing our own story, whilst in Maths we have been comparing numbers to 1000.

Year 4 We have enjoyed investigating the digestive system in science; designing and creating chocolate in DT; developing our character for a character description in writing and adding and subtraction two 4 digit numbers in maths.

Thought for the week...

Are actions more important than words?

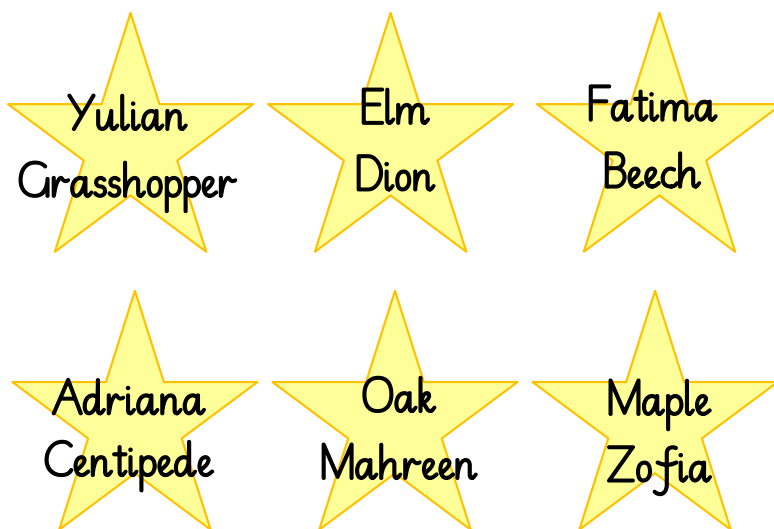

Check out our school website for more exciting school news!

Celebration Zone

STARS OF THE WEEK!

Mathematician of the Week

Grasshopper - Hadi Centipede - Adif
Oak - Helen Elm - Adyan
Maple - Asher Beech - Tife

House Points

Seacole 1144	Shakespeare 1516
Bannister 1097	Pankhurst 1349

Helping at Home

As children move to the Accelerated Reader scheme, they must show a good understanding of the book so please ask them lots of questions when they read. Quizzes must be done in school, not at home.

Don't forget...

- Book Bags every day, including reading books.
- PE Kits - red shorts, white t-shirt and plimsolls

Tuesday 10th October - Year 3 trip to the Synagogue
