

Year 2, 3 and 4 Newsletter

Friday 13th October 2023

What have we been learning?

Year 2

It has been another packed week in Year 2, where we have been using our knowledge of number bonds to help us with adding numbers. We also have started our DT unit on Nutrition and learnt about where food comes from.

Year 3

This week, we have been comparing and ordering numbers to 1000. In Geography, we have been learning about the physical and human features of Brazil. We have also been learning about the layers of the rainforest.

Year 4

We have been mastering our column addition and subtraction this week. Also, we have been busy creating our packages for our chocolate treat in DT. In English, we have been looking at magazine articles.

Thought for the week...

'Good thoughts make a happy person'

Grasshopper – Elia

Centipede – Amelia

Oak – Daniel

Elm – Bojidara

Maple – Winifred

Beech – Patrick

House Points

Seacole 1107	Shakespeare 1076
Bannister 1037	Pankhurst 1110

Helping at Home

As children move to the Accelerated Reader scheme, they must show a good understanding of the book so please ask them lots of questions when they read. Quizzes must be done in school, not at home.

Don't forget...

- Book Bags every day, including reading books.
- PE Kits – red shorts, white t-shirt and plimsolls
- Please remember to label your child's uniform and coat.
