

Year 2, 3 and 4 Newsletter

Friday 20th October 2023

What have we been learning?

Year 2

We have ended this half term by working extremely hard in Maths - looking at how we can use our number bonds to help us when adding. We also enjoyed writing a report about our own aliens.

Year 3

This week, we have planned and written our own story. We have been adding and subtracting to three-digit numbers in Maths. In Geography, we have learned about the Amazon River and also compared the UK to Brazil.

Year 4

We have been assessing much of our learning this week! In DT, we have been evaluating our peers' packages and in RE, we shared our most interesting part of learning about Hindu worship.

Thought for the week...

Your uniqueness is what makes you shine!

STARS OF THE WEEK!

Mathematician of the Week

Grasshopper - Saibah

Centipede - Samuel

Oak - Cuba

Elm - Luna

Maple - Abdullah

Beech - Yu-Heng

House Points

Seacole 966	Shakespeare 958
Bannister 1020	Pankhurst 922

Helping at Home

As children move to the Accelerated Reader scheme, they must show a good understanding of the book so please ask them lots of questions when they read. Quizzes must be done in school, not at home.

Don't forget...

- INSET day: Monday 30th October
- Autumn Term 2 starts on Tuesday 31st October

We hope that you all have a lovely half term!
