

Year 5 and 6 Newsletter

Friday 6th October 2023

What have we been learning?

Year 5

This week in English, we have been exploring how we can use our toolkit to write an action scene that includes a range of effective figurative language features. In Maths, we learned how to use rounding to quickly calculate numbers up to 5-gidits. We have really enjoyed applying our sketching skills in Art to create a portrait of a significant individual from Tudor times.

Year 6

We have been working really hard writing biographies on Greta Thunberg this week. The children have shown real commitment and perseverance. In Science, we have learned how some animals have adapted to their environment.

Thought for the week...

You fail 100% of the things you don't attempt.

Follow our school Twitter account for updates and challenges to try at home!
