

Year 5 and 6 Newsletter

Thursday 19th October 2023

What have we been learning?

Year 5

What a fantastic first term we have had! Adventuring through Tudor times, exploring the beliefs of God in different religions, learning about our rights and responsibilities as children and developing our place value and number knowledge in maths. This week we have painted Tudor portraits influenced by the work of Hans Holbein, a Tudor painter, and written our own action scene in English. We can now enjoy a restful week, ready to return and learn!

Year 6

Year 6 have ended the term with an exciting trip to the Natural History Museum, concluding our learning on our topic 'What Mr Darwin Saw.' The children have also written persuasive letters to Mrs Deville and Mrs Pearce about how to make our school green.

Thought for the week...

Every day may not be good, but there is something good in every day.

Follow our school Twitter account for updates and challenges to try at home!
