## What have we been learning?

### Nursery

This week the children have been exploring the people in their family and how they may help them at home. They have been learning how to help their peers.

### Reception

This week the children have been exploring the ocean and learning which animals live there. They created their own small world ocean!

### Year 1

This week, we wrote our own '5 sentence stories'. We thought of exciting adjectives to describe the characters and places in our stories.

### Thought for the week...
