What have we been learning?

Nursery

This week the children explore mixing colours and creating new ones. They explore making colours darker and lighter by adding black or white.

Reception

This week the children made their very own ocean scene. They explored a range of textures and colours to create a collage.

Year 1

This week the children enjoyed a surprise visit from a theatre company who performed 'Cinderella' for us. The children loved the show!

Thought for the week...

What should you do if you see someone being unkind?
