What have we been learning?

Year 2

We have had a great week returning to school; being busy with our new theme of 'London's Calling'. In Geography we located London on a map as well as found out about lots of London landmarks. We are now looking forward to our Tower of London visit later in the term.

Year 3

This week, Year 3 were introduced to their new topic – The Stone Age. Pupils explored artefacts and discussed what life might have been like in the past. In English, we read and discussed portal stories.

Year 4

We started Autumn 2 with our 'Strike A Pose' theme, looking at Orla Kiely's designs in Art and zips in DT. We introduced persuasive writing in English and in Maths focused on learning the 3 and 6 times tables.

Thought for the week...

The sky lights up with fireworks when you follow your dreams.

Helping at Home

As children move to the Accelerated Reader scheme, they must show a good understanding of the book so please ask them lots of questions when they read. Quizzes must be done in school, not at home.

Don't forget...

- Please remember that as the weather is getting colder, your child will need a coat for them to go out at playtime and lunchtime with.
- Also please provide jogging bottoms/jumpers for PE.
