

Year 2, 3 and 4 Newsletter

Friday 17th November 2023

What have we been learning?

Year 2

This week we have been working on our addition and subtraction skills in Maths. We have also started learning about Guy Fawkes and the Gunpowder Plot.

Year 3

This week, we created our Stone Age, cave paintings using a variety of techniques. In English, we gathered ideas for our portal story. Pupils used a range of adjectives and noun phrases to describe their setting.

Year 4

This week, we have been learning how to sew using the running stitch in DT. In Art, we have been learning to do screen printing using polystyrene blocks. In Maths, we have been mastering our 9 times tables using a special with our fingers. Please ask your child to find out more!

Thought for the week...

What should you do if you see someone being unkind?

STARS OF THE WEEK!

Mathematician of the Week

Grasshopper - Yulian Centipede - Scarlett
Oak - Mahtab Elm - Nafizah
Maple - Inaaya Beech - Rio

House Points

Seacole 1323	Shakespeare 1697
Bannister 1901	Pankhurst 1207

Helping at Home

As children move to the Accelerated Reader scheme, they must show a good understanding of the book so please ask them lots of questions when they read. Quizzes must be done in school, not at home.

Don't forget...

Please remember that as the weather is getting colder, your child will need a coat for them to go out at playtime and lunchtime with.

Also please provide jogging bottoms/jumpers for PE.
