

# Year 5 and 6 Newsletter

Friday 3<sup>rd</sup> November 2023

## What have we been learning?

### Year 5

This week we have deepened our understanding of how to multiply by 10, 100 and 1,000, solving questions with increased accuracy as a result. In English, we sat around an (imaginary) campfire and told mythical stories with a warning plot. We have located European countries in Geography, with a focus on the Scandinavian countries and their features.

### Year 6

This week we have opened our new topic by enjoying watching the film Oliver! This allowed us to have some idea of what life was like in Victorian England. In History, we are looking at the power of the monarchy and how it has changed over time. We found out that King John was a really bad king!

### Thought for the week...

Strive for progress not for perfection.

Check out our school website for more exciting school news!
