

Year 5 and 6 Newsletter

Friday 24th November 2023

What have we been learning?

Year 5

This week we had an exciting drama workshop delivered by the National Theatre. In English this week, we have been sequencing and planning a myth with a warning plot, using our core text of Beowulf as a starting point to assist us with structure. In Maths, we have been working hard on converting, finding equivalent, adding and subtracting fractions. This knowledgebase allowed us to then order fractions (with different denominators) with a greater success.

Year 6

This week in English, we have been creating a character for our Hot Task, imagining the life of a pickpocket. We have also been learning about light in Science and proved, through an investigation, that light travels in straight lines.

On Wednesday, we enjoyed a virtual parliament lesson, where we learned about the House of Commons thought about what issues are debated.

Football News:

Well done to the Girls' Football Team, as we played our first match against a very tough St. Teresa's, with a 1-1 draw!

Check out our school website for more exciting school news!
