

PP Year 2, 3 and 4 Newsletter

Friday 12th January 2024

What have we been learning?

Year 2

This week, Year 2 have been working with money in Maths. For English, we have been looking at a tale of fear with our new story, 'The Owl who was afraid of the dark'. In DT, we are designing teddy bears to help Plop from feeling scared.

Year 3 We have been learning about multiples of 2, 5 and 10 in Maths. In English, we have been looking at adverts and how language is used to persuade. For Science, we have been planning a healthy balanced meal which uses the different food groups.

Year 4 Our topic this term is 'It's All Greek To Me!' in English we used the story of Persephone to develop our writing. We learnt about factor pairs, multiplying by 10 and 100 in Maths. In Art we explored Ancient Greek masks and how they were used.

Thought for the week...

Helping at Home

As children move to the Accelerated Reader scheme, they must show a good understanding of the book so please ask them lots of questions when they read. Quizzes must be done in school, not at home.

Don't forget...

Please ensure pupils bring in coats, scarves and gloves for this cold weather.

Also jogging bottoms and a jumper for PE.
