### Recommended Reads

## **Entry Point** –Cookery Workshop

### **Science – Why do animals and humans have skeletons and muscles?**

This term we will be learning that animals, including humans, get nutrition from the food that we eat. We will be learning about the importance of a balanced diet. We will also learn that humans and some other animals have skeletons and muscles which provide their bodies with support, protection and enable movement.

#### **Key questions:**

What do plants and humans need to live?

What are the different food groups?

What is the function of a skeleton?

**Activities:** Keep a food diary for a week.

Learn about vertebrates and invertebrates.

### **Design and Technology - How do we design, make and package a healthy wrap?**

We will be investigating a selection of available sandwiches and wraps, before designing and making our own savoury wrap based upon a design criteria. We will also be exploring different packaging before creating our own to package our snack.

#### **Key questions:**

What do we need for a healthy and balanced diet?

What kitchen utensils and cooking techniques could I use to prepare ingredients?

What is a net?

**Activities:** Try some cooking at home with an adult.

### **PE – How do you play volleyball?**

This term in PE, children will be practicing ball control skills which they can apply to the game of volleyball. They will be learning how to aim and pass with accuracy, whilst working as part of a team.

#### **Key questions:**

How can you score points in a game of volleyball?

What are the rules?

**Activities:** Learn about the game of Volleyball.

<https://www.youtube.com/watch?v=jxhuopeNAHE>

### **PSHE – How can I build my resilience to achieve my dreams and goals?**

This term we will think about our dreams and goals. We will learn about building resilience and being able to persevere when facing challenges.

#### **Key questions:**

What dreams, goals and ambitions do you have when you grow up?

Can you think of any challenges that may make your dreams and goals difficult to achieve?

**Activities:** Think about one goal or dream and create a stepping stone map of how to achieve it, e.g. work hard, learn new skills, get qualifications, go to university, support from family.

## **Exit Point** – Making and sharing our savoury wrap
