

Into the Unknown
Year 6 – Spring Term 1

English – TalkForWriting

Text: Shackleton's Journey by William Grill

Focus
We will be writing in a range of genres

Recommended Reads

Entry Point – Finding out about explorers

Science – We will be learning about animals including humans.

Activities:

- Keep a record of how often you exercise. Why is it important to stay active?
- Keep a weekly record of what you eat. Is it a balanced diet?

Key Vocabulary: artery, breathing rate, capillary, circulatory system, liver, pulse rate, vein

Key questions: *What is the circulatory system? How are water and nutrients transported around the body?*

RE – We will be learning about the role of religious leaders in different faiths.

Activities:

- Find out the duties of your religious leader.

Key Vocabulary: qualities, Pope, Dalai Lama, duties

Key Questions: *Why do we need leaders? What qualities do leaders possess? Who are important world religious leaders?*

DT – We will be learning about why our diet needs to be balanced and nutritious. We will create a savoury soup and bread to accompany.

Activities:

- Research a well-known chef, find a recipe of their that interests you and create the dish, following the method. Did it turn out as you expected?

Key Vocabulary: equipment, flavours, ingredients, recipe, method, research, cross-contamination, preparation

Key Questions: *What is a healthy and balanced diet? How can we prepare meals that are nutritious?*

'Into the Unknown'

Year 6 – Spring

PE- We will be learning a net and wall game – badminton and an invasion game- tag rugby.

Activities:

- Develop your fitness by walking between two lampposts, then running between the next ones.
- Watch some games of rugby on the television.

Key Vocabulary: racket, shuttlecock, court, serve, non-contact attack, defence

Key Questions: *What skills do I need to win at badminton? How can I improve my rugby technique?*

PSHE- We will be thinking about how to be responsible and the ways we can stay healthy.

Activities:

- List all the different ways you can keep safe on the streets. Think about the potential dangers as we are growing up.

Key Vocabulary: exploitation, gangs, drugs, responsible

Key Questions: *What are the ways that I can be responsible for myself and my actions?*

Maths – We will be learning to apply our arithmetic skills to reasoning problems.

Activities:

- When shopping, calculate sale prices of items that have been discounted by a percentage.
- When cooking practise measuring quantities accurately.

Key Vocabulary: percentage, reduce, increase, decrease, sum, total, units of measure

Key Questions: *If a shirt costs £30 and is reduced by 20%, what will the new price be?*

Exit Point – Extended writing – persuasive writing
