# Welcome to Year 6

Dear Parents/Carers,

We would like to welcome you and your child to Year 6, their final year in primary school. This year is even more important as this is our main opportunity to prepare your child for the next stage in their education, secondary school. This is a big step for them and many children will be anxious about this move so we will aim to do all we can to reassure and prepare them, so they leave us confident and excited about this move...while missing us a little!

Part of this preparation for the expectations of secondary school life is getting used to having a planner or homework diary, which we expect children to bring in every day. In this planner, the children will write down any homework they have, including their spelling words. We ask you to sign this each week, to show that you have seen it, due to the fact that this is expected in most secondary schools. In addition to this, we will expect you to sign the reading record at least three times a week. There is also a space in the children's homework diary for you to write down any concerns/questions you may have.

As you will be aware, children in Year 6 will be sitting SATs (Statutory Assessment Tests). For your child these will be during the week beginning Monday 12th May 2025. It is very important that you make sure your child is in school that week on time every day. Obviously, it is equally important that your child has very good attendance during Year 6 too, in order to make the progress we and you expect of them.

Equally, we endeavour to ensure your child is not anxious about these tests as this can affect how well they will do. We need you to not be anxious either so we will be holding meetings to allay any anxieties you too may have, so don't worry!

I am sure that you, like us, want to make sure your child has the best possible start for secondary school, so there will be extra work, but we will also give Year 6 pupils additional privileges and trips so their final year at primary school is not dominated by tests. We want your child to take away some really fond memories of being at Parsloes.

Most importantly we want your child to achieve the best they can and value the support you will give us to make this possible.

Kind regards,

Year 6 teachers – Ms Gooding (Kingfisher) and Mrs Haque (Woodpecker)

# Our Vision

At Parsloes Primary School, we believe in an enriched and progressive curriculum that is engaging for all. The children and their learning are at the core of all that we do.

Our curriculum is designed to take into consideration our children's varied backgrounds and cultural experiences. We believe all children deserve a curriculum that expands their life chances, enabling social equity and mobility. All pupils are entitled to have access to a broad range of learning experiences which allow them to develop the knowledge, understanding, skills and attitudes necessary to prepare them for and to help them succeed as members of the wider community.

# Our Values

## **Respectful**

Acting with integrity and consideration

## **Aspirational**

Having high expectations of what we can achieve

## **Understanding**

Demonstrating empathy and compassion

## **Positive**

Learning to persevere and develop resilience

# Year 6 Reminders

## Attendance and Punctuality

There is a soft opening from 8:40am to 8:50am. Your child's regular and prompt attendance at school is crucial to their success, so please ensure they are on time every day. The most intensive lessons begin first thing in the morning. If your child is late, they will miss out on very important learning.

## Key Stage Two SATs

During the month of May, pupils in Year 6 will be sitting SATs (Statutory Assessment Tests). These tests will assess whether your child has achieved the expectations for Key Stage Two in Reading, Writing, Grammar, Punctuation & Spelling (GPS) and Mathematics. Further updates will follow throughout the year.

## Reading

Children will take a book matched to their reading level home and are encouraged to read daily. Once they complete this book, they will take a quiz on 'Accelerated Reader', where they can demonstrate their understanding of what they have read.

Accompanying this book is a reading record, where you can write comments on their reading progress. Please ensure that you sign your child's reading record at least three times each week. Please take the time to also question your child about the books that they are reading to you.

# Year 6 Reminders

## Uniform

The school has high expectations for school uniform. Full school uniform with the school logo must be worn daily. All children should wear appropriate black shoes for school. Please ensure that your child's name is written clearly on all of their belongings. We recommend that long hair is tied back for safety. Children should not wear jewellery in school, except from small studs if they have their ears pierced.

## Water

Your child will need a named water bottle with a covered mouthpiece to access water throughout the day. We cannot provide or share cups in the classroom. Your child will be able to refill their water bottle throughout the day as necessary.

## Break times

Each class has access to a range of playground toys to use at break and lunch times. Children are not allowed to bring their own toys into school to play with.

## PE

PE Kit consists of a white T-Shirt, red shorts, black joggers and a black sweatshirt. Children should not wear earrings to school on their PE days and long hair must be tied back.

**Kingfisher Class – Tuesday and Wednesday**  
**Woodpecker Class – Tuesday and Wednesday**

# Year 6 Reminders

## Library

Your child will visit the school library with their class once a week, where they will have their opportunity to check out a book and take it home to read. Please ensure that your child returns the book the following week. There is a charge of £5 for any lost or damaged books.

## Curriculum

Our theme for the first half term is 'Truly Scrumptious'. Further curriculum updates will follow throughout the year in order for parents to support their child's learning.

## Mobile Phones

Mobile phones are not allowed in school. The only exception to this are those pupils in Years 5 and 6 who come to or go home from school by themselves. We will store these securely during the day. Mobile phones should be turned off whilst pupils are on the school premises - if these rules are not followed, they will no longer be allowed to bring their phones into school. In order to keep an accurate record of those who need to bring a phone into school, due to the fact that the pupil is walking home by themselves, the relevant form will need to be filled in on ParentMail. Please note that phones are left in school at your own risk and school cannot take responsibility of any phones that are lost or damaged.

## How to support your child in Year 6

- Read with your child every day and ask them questions about the story.
- Help your child to complete their homework when set.
- Support your child to learn and remember all of their times tables up to 12 x 12.
- Practise the spellings, which your child will come home from school with, including the Year 5 and 6 spelling list.
- Discuss with your child topics covered in school, using the half termly parent overviews.
- Encourage conversation through talking about your day.

# School Uniform

## PARSLOES PRIMARY SCHOOL UNIFORM

The uniform, including the P.E. Kit, book bags etc. can be purchased from our online uniform supplier which is Premier Schoolwear, [www.premierschoolwear.co.uk](http://www.premierschoolwear.co.uk).

Uniform can be purchased and either delivered or collected from store. If you require any additional information please speak to the school office.

### COMPULSORY UNIFORM

#### BOYS

Grey tailored trousers  
White school polo shirt (with Parsloes motif)  
Red school sweatshirt (with Parsloes motif)  
Plain grey socks  
Plain black shoes (NO Trainers)  
No dyed hair or shaved fashion hairstyles

#### GIRLS

Grey pleated skirt or grey tailored trousers  
White school polo shirt (with Parsloes motif)  
Red school sweatshirt (with Parsloes motif)  
Grey tights  
White socks  
Plain black shoes (flat heel with a back, NO Trainers)  
Red or white hair accessories  
No dyed hair or shaved fashion hairstyles

#### BAGS

Parsloes Book Bag only

**Please do not send your child to school with any other bags, handbags or back packs.**

### OPTIONAL SUMMER UNIFORM (from April to October)

Children may wear the main uniform all year round, but during the hot weather boys and girls may wear grey tailored shorts with the white school polo shirt.

Girls also may wear a red gingham checked dress (not 2 piece suit) with white socks.

#### PLEASE NOTE:

All cardigans and sweat shirts must have the Parsloes Primary School motif. All shoes should have a back, should be flat heeled and BLACK. Please only have laced shoes if your child can do up their own laces otherwise have ones with Velcro. Any clothing underneath the uniform especially in the winter months must not be seen, this includes long sleeve tops and leggings.

# End of Year Expectations

## Reading

By the end of Year 6, a child of expected standard will meet the following criteria:

Applies a growing knowledge of root words, prefixes and suffixes (morphology and etymology) - as listed in English appendix 1 of the national curriculum document - both to read aloud and to understand the meaning of new words that are met
Increases familiarity with a wide range of books, including myths, legends and traditional stories, modern fiction, fiction from our literary heritage, and books from other cultures and traditions
Checks that the book makes sense to the reader, discussing the individual's understanding and exploring the meaning of words in context
Summarises the main ideas drawn from more than one paragraph, identifying key details that support the main ideas
Retrieves, records and presents information from non-fiction
Participates in discussions about books that are read to the individual and those that can be read independently
Provides reasoned justifications for their views about a book

## Writing

By the end of Year 6, a child of expected standard will meet the following criteria:

Identifies the audience for, and purpose of, the writing
Selects the appropriate form and uses other similar writing as models for their own
Proof-reads for spelling and punctuation errors
Ensures the consistent and correct use of tense throughout a piece of writing
Uses further organisational and presentational devices to structure text and to guide the reader (e.g. headings, bullet points, underlining)
Can describe settings, characters and atmosphere
Uses dictionaries to check the spelling and meaning of words
Can understand and apply the difference between vocabulary typical of informal speech and vocabulary appropriate for formal speech and writing (e.g. find out - discover; ask for - request; go in - enter)
Uses the passive voice to affect the presentation of information in a sentence (e.g. 'I broke the window in the greenhouse' versus 'The window in the greenhouse was broken (by me)')
Can use layout devices, such as headings, sub-headings, columns, bullets, or tables, to structure text
Uses the colon to introduce a list
Punctuates bullet points to list information

# End of Year Expectations

## Maths

By the end of Year 6, a child of expected standard will meet the following criteria:

Rounds any whole number to a required degree of accuracy
Uses negative numbers in context and calculates intervals across zero
Multiplies multi-digit numbers up to four digits by a two-digit whole number using the formal written method of long multiplication
Divides numbers up to four digits by a two-digit number using the formal written method of short division where appropriate, interpreting remainders according to the context
Solves addition and subtraction multi-step problems in contexts, deciding which operations and methods to use and why
Uses estimation to check answers to calculations and determines, in the context of a problem, an appropriate degree of accuracy
Uses written division methods in cases where the answer has up to two decimal places
Solves problems which require answers to be rounded to specified degrees of accuracy
Recalls and uses equivalences between simple fractions, decimals and percentages, including in different contexts
Solves problems involving the calculation of percentages eg of measures and calculations such as 15 per cent of 360, and the use of percentages for comparison
Solves problems involving unequal sharing and grouping using knowledge of fractions and multiples
Uses simple formulae
Uses, reads, writes and converts between standard units, converting measurements of length, mass, volume and time from a smaller unit of measure to a larger unit, and vice versa, using decimal notation to up to three decimal places
Compares and classifies geometric shapes based on their properties and sizes and finds unknown angles in any triangles, quadrilaterals and regular polygons
Draws and translates simple shapes on the coordinate plane and reflects them in the axes
Interprets pie charts and line graphs and uses these to solve problems
Calculates and interprets the mean as an average
